SUPPLEMENT

25X1A6a

ORIGIN 25X1X6

- Two troop trains carrying Red naval personnel arrived at Eberswalde (VOS) on 22 November 1946. These troops are now billeted in the former "Feuerwehrschule".
- The following arrived in aberswalde on 24 November 1946 and were unloaded:
 - One ammunition train carrying AA ammunition a. o
 - One gasoline train
- 3. Russian troops in Oberswalde are now wearing on the left arm a stripe, similar to that worn by a British Lance Corporal, in the color of the arm of the service. It is approximately 3/4 inches wide and awarded to a Red Army man who has completed one year in Germany with the occupation forces.
